The City of Houston's **Housing and Community Development Department** (HCDD) needs your input about investing approximately **\$40 million** in federal entitlement grants to improve Houston neighborhoods and quality of life for low- and moderate-income families over the next year. These federal grants include the Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), Housing Opportunities for Persons with HIV/AIDS (HOPWA), and Emergency Solutions Grant (ESG).

We will highlight  
recent housing  
and community  
development  
projects.

Our staff will  
review the grant  
process.

Give us your  
comments on how  
to address housing  
and community  
development needs.
